0km

Remarks:

This car has been built as a new 2010-demo car. Currently this car is not (yet) in use and is therefore brand new. Since 2010, Donkervoort Automobielen offers this updated version of the D8 210 E where they've used the GT4 air intake and exhaust system. This results in a gain in horse power which now is 235 BHP.

Price:

€ 115000,- incl.VAT - 2010
